About Us

The mission of the Mayfield Central Schools is to ensure that all students will acquire the academic and social skills to enable them to function successfully as productive citizens. All students can learn.

The Mayfield Central School District serves approximately 950 students in the towns of Mayfield, Northampton, Johnstown and Broadalbin in Fulton County, on the southern border of the Adirondack Park.

"All students can learn" has been more than a mission statement. It has been a call to action for students, parents, administrators, teachers and everyone associated with the school district.

Mayfield serves students in grades pre-K through 6 at Mayfield Elementary School, located on North Main Street in the village. Students in grades 7-12 attend Mayfield Jr./Sr. High School on School Street. The School Street building also houses the district office.

At Mayfield Elementary School, the comprehensive academic program builds students' confidence in themselves as learners, instills a love of learning and a desire to learn, and develops the knowledge, skills and attitudes needed for students to communicate effectively, understand the world around them and participate effectively in society.

Mayfield Jr./Sr. High School provides a comprehensive and challenging program that ensures that students will be successful in advanced educational studies, the work force or other post-graduate plans. High school and college-level courses provide students with many opportunities to develop and hone their skills, attitudes, and knowledge.

Mayfield teachers are committed to and knowledgeable in their disciplines, believe in their students and are dedicated to their students' success.

Day in the Life of a 7th Grader!

Mrs. Rebisz & Mrs. Goodemote

What's different in middle school?

- More responsibility → less supervision
- Moving from class to class
- Locker
 - Used to keep books, bags, personal belongings
 - Students are provided with a combination lock to use for the school year
- Held accountable for work
 - If students do not complete work or make up missed work when absent, it will count towards their grade. Encourage your child to talk/email their teachers and make up their work!
Encourage them to stay after school and use 9th period to do homework!

→ 8 - 40 minute periods

- ◆ 9th period 2:22-2:52 (a great opportunity to get extra help!)

→ Day 1/Day 2

→ 3 min between periods

→ Room #'s

- ◆ 100's basement level
- ◆ 200's main floor
- ◆ 300's second floor
