

Hello, my name is Vanessa DiNitto and I am seeking a second term on the Mayfield Board of Education. I am a graduate of Mayfield Jr. Sr. High school as well as a parent to two children who have also graduated from Mayfield. I have a Bachelor's of Science degree in Business Management and Economics. My son, Andrew, is a junior at Siena College and my daughter, Caroline, is a sophomore at Syracuse University.

I have enjoyed my time served on the board and have decided that I would like to devote 5 more years to the district. I have a great love for the community, and I believe that every decision should make us question.... how can this benefit the children in the school district? I want all children in the district to be given opportunities that previous classes didn't have. It's all about preparing our children for the real world after they graduate whether they decide to move on to a university or go into the work force. They all need to be prepared and it is our job to make sure that they are.

I hope that I have the support of the community to serve 5 more years.
